EYHA trusts Officeheads as part of our financial team, and also values our relationship with a fellow Evanston-based organization. We appreciate the accurate accounting and bookkeeping services, as well as a local, personal connection.

— Jim Kammert – Board Treasurer Evanston Youth Hockey Association,

My clients are leaders of small, growing Nonprofits. Officeheads has propelled many of their organizations to growth by providing a clear and customized picture of their financial health and priorities. The Officeheads team rolls up their sleeves and digs in deep - they are an irreplaceable team member. This is a rare quality that I deeply value.

— Sherry Quam Taylor – Founder Quam Taylor Consulting,

I love working with officeheads. It's one of the best things we did as it relates to accounting and bookkeeping. It's a seamless process and I have an entire team at my service if and when I need them.

— David Kakish – President Inhouse CIO,
